

Jeffrey D. Marsh

Senior Vice President – Finance and Chief Financial Officer

Since 2012, Jeffrey Marsh has served as senior vice president – finance and chief financial officer for the Association of American Railroads (AAR), the world's leading railroad policy, research and standard setting organization for the Class I freight railroads of the United States, Canada and Mexico, as well as Amtrak.

Mr. Marsh has more than 20+ years of experience in financial and accounting management, including demonstrated expertise in financial analysis, corporate financial reporting, treasury activities and risk and insurance management.

Prior to joining AAR in 1999, Marsh directed financial and treasury activities at the National Capital Reciprocal Insurance Company. In this role, Marsh also handled issues related to corporate governance, finance and accounting, policyholder services and loss reserve analysis and related matters of the professional liability insurance company.

Marsh currently serves as treasurer of the Railroad Insurance Management Association, an organization comprised of the railroad industry's risk managers and insurance managers. He also serves as the primary liaison to the Railroad Accounting Officers and Internal Audit Divisions of AAR. In this role, Marsh is directly responsible for developing and organizing the annual AAR RAO/IAD Training Conference in conjunction with the chief accounting officers of the AAR member railroads which provides critical ongoing subject matter experts in accounting, financial, economic and tax policy disciplines in conjunction with the chief accounting officers of AAR member railroads.

Education

- Mr. Marsh received a Bachelor of Science from Lynchburg College in Lynchburg, Va, and successfully passed the Certified Public Accountant examination.

Affiliations/Community Involvement (current and past)

- Treasurer, Railroad Insurance Management Association
- VP & Treasurer, Railroad Research Foundation
- Treasurer, GoRail
- Coach, La Plata Youth Soccer Association

Personal

Marsh and his wife, Holly, have 3 children and reside in Maryland.

Association of American Railroads

America's freight railroads operate the safest, most efficient, cost-effective and environmentally sound freight transportation system in the world — and the Association of American Railroads (AAR) is committed to keeping it that way. AAR is the world's leading railroad policy, research and technology organization focusing on the safety and productivity of rail carriers. AAR members include the major freight railroads of the U.S., Canada and Mexico, as well as Amtrak.
