**Harbor Rail Services Company Appoints Caylan Myronowicz as Executive Vice President,  
Launches Redesigned Website**

**12/14/12 - Altadena, CA** - Harbor Rail Services Company recently announced the appointment of Caylan Myronowicz to the role of Executive Vice President. Myronowicz previously held positions in corporate real estate and financial services. His appointment “adds significant depth to the company’s leadership structure” says company Vice President of Operations, Thomas Broderick. The company also launched its redesigned website [www.harborservices.com](http://www.harborservices.com). The new website features all of the firm’s locations and company leadership bios, according to a press release. The change allows current and potential customers more direct access to Harbor Services sales team.
