# TP 14877 Migration to CGSB 43.147

## Update

- 2<sup>nd</sup> working draft of the CGSB 43.147 standard soon to be issued to the CGSB technical committee
  - Incorporates many of the proposals from received during the 1<sup>st</sup> round of comments in Fall 2020
  - The committee will be provided with a comment period for this 2<sup>nd</sup> draft
- To be followed with a virtual meeting of the committee later this year

# Inspections for fiscal year (Apr 2020- Mar 2021)

## Inspections

- TDG Bulletin – Alternative oversight activities: Remote oversight
- Inspection workplan re-oriented as per COVID-19 restrictions
- Tank car program inspections
  - 1 facility audit
  - 4 owner audits

## Major common finding

- Tank car lessees that own the linings/coatings:
  - Insufficient analysis conducted and/or on-hand to establish inspection intervals
